

# WWD-2016 - Summary Report (Balsore, Bhadrak and Mayurbhanj in Odisha, India)

March 26, 2016/ August 6, 2016

## *Best Event Award Odisha Team*

### Odisha – World Water Day - 2016

The Odisha team of the ROW Foundation have conducted an awareness program by mobilizing three district administration to undertaking programs on climate change adoption and mitigation in coastal districts of Balsore, Bhadrak and Mayurbhanj in Odisha . Here are the details of the programme:

- 1) 172 participants and leading social voices and top government officials participated and got communicated on various issues related to climate change and water security and urban lives.
- 2) Three major rivers - Budhabalangs, surbarnarekhs , Salandi , sona are discussed in details and Basin Institutions are being formed to take up conservancy programs.
- 3) Local residents, and students from Schools and Colleges are coming forward to be trained in dealing with climate education, awareness and actions.

A few pictures are attached here. A detail report will be sent soon.
