

WORLD WATER DAY 2017  
Iloilo City, Philippines, March 22-27, 2017

Theme:  
"WATER AND WASTEWATER"

## Summary of Event

In celebration of The World Water Day 2017, the Department of Environment and Natural Resources (DENR) in Region 6 is reminding everyone of the importance of wastewater and most especially not take for granted our water resources because water is life. This Year's theme is focused on how to improve water quality by reducing pollution. The City Environment and Natural Resources in partnership with DENR 6 conducted students' forum, clean up drive and Adopt an Estero Orchestrated Clean-up.
