

WWD 2013 Yangtze River Trash pick-up activity

Wuhan, China

The March 23, 2013 riverside trash pick-up activity on the banks of the Yangtze river in Wuhan was a complete success! With the cooperation of a local NGO called the Green Earth Public Welfare Association, this year's activity has a great improvement compared to last year.

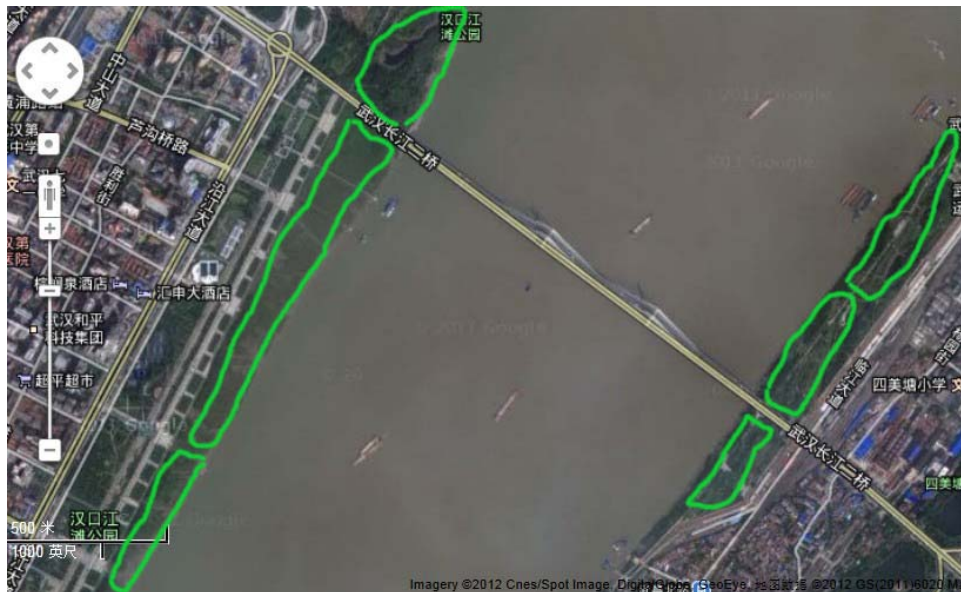

General Site Location: Lat. 30° 35' 2.64" N; Long. 114° 17' 47.88" E

The results were:

1、A total of 450 university student and citizen volunteers attended the activity.

2、We picked up about 2300 kg (30 large size bags, 400 medium size bags,) of garbage。

3、Garbage was picked up along the 2 kilometer-long Wuhan Hankou Yangtze Riverside Park and along the 1 kilometer-long Wuchang Yangtze Riverside Park.

4、13 teams from local universities participated.

5、Coordinators: Zhao Hong and Huang Debo(of the Green Earth Public Welfare Association)
