Kolkata Trash Cleanup Program – WWD 2016

The Kolkata team of the ROW Foundation have done the trash cleaning program on March 26, 2016 with few School children from Annie Besant Day School , Birati, Kolkata. Most of the students were out of station after exam, . Hope will get much more student next year.

Here are the details of the programme:

- 1) Meetup at S&M office premises at 10:00 AM.
- 2) Gather equipments for the cleanliness program.
- 3) Met local **Councillor Lopamudra Dutta Choudhury** for permission and she assured give us a permanent plot to clean every month and make a small garden.
- 4) Start cleaning the premises,
 - a. Location within the Nabadrasha Locality near a lake
 - b. Separated the bio-degradable and non-degradable items
 - c. Total collection - 12 bags
 - d. Total weight 240 Kgs. .

Here are the pictures of Annie Besant day school children and ROW volunteer participating for the trash clean up programme on 26th March.2016 at Nabadarsha co operative colony, Srimantapur , kolkata: 700051
