

WWD-2016 - Summary Report (Thansingh, Nuwakot, Nepal)

March 27, 2016

2016 विश्व जल दिवस

The World Water Day (WWD) 2016 Awareness Activity – Nepal

The March 27, 2016 riverside trash pick-up activity was successful. The results/Report below:

- 1) Location: Shree Rastriya Secondary School Area, Thansing-9, Nuwakot, Nepal
- 2) Number of participants: 70 (50 Students, 5 Teachers, and 15 Villagers)
- 3) Any Special Item: We gave a class about significance of Environmental today and briefed about the importance of saving the Environment.
- 4) Garbage Collection: 30 KG
- 5) Observation: All the villagers observed the program. Some of them even joined us and some said we should do it more often.

The Interest of conducting such cleanups and the WWD is growing and the village people are encouraged.

Bishnu Prasad Adhikari (ROW Coordinator, Nepal), and Rameswar Adhikari

Attached are the pictures of the program
