

HIMALAYAN ENGLISH SCHOOL GHANSALI- 249155 INDIA

WATER AWARENESS PROGRAM IN HES GHANSALI

Under the guidance provided by the **Rivers of the World Foundation** we are running a water awareness program in our school since 2014. Students are taking interest in knowing the quality of drinking water and doing various tests to determine the water quality. Rivers of the World has provided us with the digital testing meter which students are using regularly.

WORLD WATER DAY 2018 IN OUR SCHOOL

World Water Day is normally celebrated each year in our school when we organize activities to spread the message among the students about the importance of water in our life. This year WWD -2018 was celebrated by organizing following activities –

- Art competition for the group of different classes- and the theme was “Water Conservation”.
- Essay competition – on theme “Climate Change” and “Water Conservation”
- Poster-making competition – on theme “Climate Change”

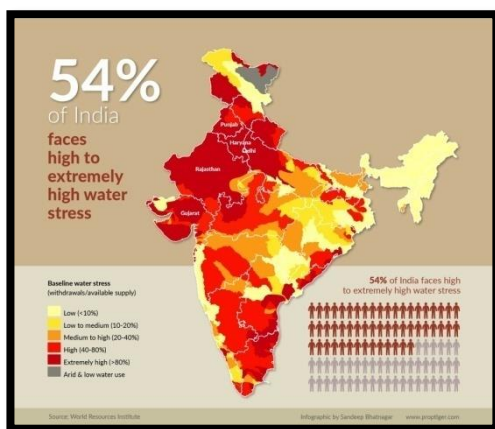

TEACHERS EXPLAINED THE IMPORTANCE OF WATER TO STUDENTS –

WORLD WATER DAY -2018

REPORT – HIMALAYAN ENGLISH SCHOOL GHANSALI INDIA

The science teacher Mr. D. K. Das explained the value of water in our life. Students were informed about our Water quality Testing Program which we run under the guidance of ROW Foundation. He also explained the important points to be remembered by the students about the quality of drinking water. Mr. Arindam Mohanta, Principal HES, informed the students about the recent visit of our school team to the DSB School Rishikesh in Jan 2018 to demonstrate water testing methods. Mr. Sudhir Nautiyal, HES Founder, informed the teachers and students that very soon our school water testing and monitoring program will be taken to another level by adding this program in upcoming HES Tinkering Lab which is likely to be started by Sep 2018.

Some of the posters about water scarcity and the importance of water in our life were shown to students.

STUDENTS PARTICIPATION IN THE COMPETITION WAS HUGE

The details of activities and the participation of students is shown in the following table –

| 1 | Class 1 | 11 | 11 | | 11 | |
| 2 | Class 2 | 12 | 12 | | 10 | |
| 3 | Class 3 | 15 | 15 | | 15 | |
| 4 | Class 4 | 16 | 16 | | 15 | |
| 5 | Class 5 | 15 | 15 | | 15 | |
| 6 | Class 6 | 17 | 17 | | 17 | |
| 7 | Class 7 | 22 | 21 | | 22 | |
| 8 | Class 8 | 19 | 11 | | 19 | |
| 9 | Class 9 | 13 | | 7 | 11 | |
| 10 | Class 10 | 28 | | | | 28 |
| 11 | TOTAL | 168 | 118 | 7 | 135 | 28 |

CLASS 10 STUDENTS VISITED THE BANK OF RIVER BHILANGANA –

Class 10 students were taken to the bank of the river Bhilangana along with teachers. The students found that the garbage is being thrown in the river. The students and teachers removed the garbage from the river and placed them in trash bags for later disposal in a trash bin.
