# **WORLD WATER DAY 2025**

**Like other years the World Water Day was celebrated this year in HES.**

**We organized following activities for the WWD 2025**

- a) Poster making competition was organized in which 50 students participated.**
- b) Save water Rally in the local market to make people aware about saving water.  
175 students (all students from class 6 to class 12) participated.**
- c) To understand the quality of water we organized a “Water testing workshop” in the school. Students were given training how to test water quality. Total 30 students participated in this workshop.**
- d) A weather station was installed in 2024 by the ROW Foundation at the HES campus. Students were told about the functioning of weather station and how to interpret the reading appearing in the console of weather station.**
