Mending Our Water Ways

For **World Water Day 2026**, a painting competition was organized at **Chamanlal Mahavidyalaya, Landhaura, Haridwar**, on **May 7, 2026**. Students enthusiastically participated and showcased their creativity through paintings highlighting the importance of water conservation, sustainable water use, and environmental protection. The event aimed to inspire awareness and responsibility towards preserving this vital natural resource.

Students actively participated in the painting competition, expressing their understanding of water-related challenges through colorful and thought-provoking artwork. The event was judged by **Smt. Anjali Chaudhary**, with **Sanjana** securing 1st place, **Abhishek** 2nd place, and **Deepanshi** 3rd place. All participants will be awarded certificates and prizes. This successful event was organized by **Dr. Neetu Gupta (ROW member)**, **Dr. Anchal Sharma**, **Dr. V.P. Tyagi**, and other faculty member

The competition witnessed remarkable artistic talent, with participants presenting innovative ideas on water conservation and pollution prevention. The winning artworks effectively conveyed powerful messages about safeguarding water resources and encouraging sustainable practices in daily life.

The event concluded with a group photograph featuring participants, faculty members, and organizers. The paintings displayed reflected diverse perspectives on water conservation and environmental sustainability. The competition successfully promoted awareness about the significance of protecting water resources and encouraged students to become advocates for a sustainable future.
